Based on your saved responses you will be applying under the following category: - **International Healthcare Worker EOI**

An International Healthcare Worker EOI submission is not an application to the SINP. It is a pre-application form which allows you to fill out an online form to indicate your interest in working in Saskatchewan in a selected Health sector occupation and show your qualifications. The information asked for is used to identify you for job opportunities being offered by Saskatchewan healthcare sector employers. Please visit www.saskatchewan.ca/health-eoi for more information on the Healthcare Worker EOI.

If you receive an employment offer, you may be eligible for the SINP's **International Skilled Worker: Employment Offer** or the **Hard-to-Fill Skills Pilot**.

Not all candidates who submit an EOI will receive a job opportunity notification.

Foreign workers who receive an employment offer from a Saskatchewan employer do not need to create an EOI profile but can apply directly to the **International Skilled Worker: Employment Offer** sub-category or the **Hard-to-Fill Skills Pilot**.
